WEB

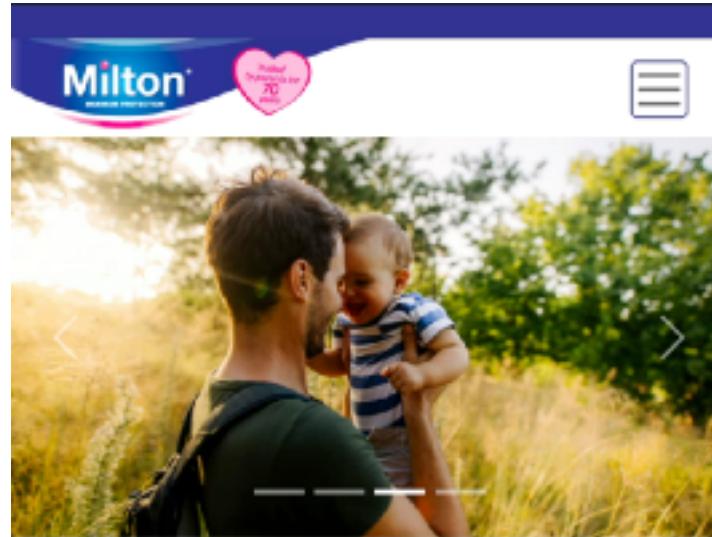

The screenshot shows the homepage of the Milton website. At the top left is the Milton logo with a pink heart icon containing the text 'Power of Sterilisation for 70 years'. To the right are navigation links: 'History' with a small hand cursor icon, 'Products', 'Why sterilise?', and a 'Search' bar with a magnifying glass icon. Below the header is a large, warm-toned photograph of a man holding a smiling baby in a field at sunset. A small right-pointing arrow is visible in the bottom right corner of the photo.

Milton is

Milton is constantly looking at new solutions
to protect babies and their families from germs,
so that everyone can keep on living the happy life
they want.
